## WARRANTY INFORMATION SHEET

**1 YEAR WARRANTY** – Covers workmanship, materials and systems. This warrants that your home will be free from defects in workmanship and materials. This warranty expires one year from the date of your closing. Please refer to your copy of the Centricity/Bonded Builders Warranty Booklet in your closing package. *Note: Many items, such as caulk, tile grout, and stucco, may shrink as they cure and may develop cracks due to changing weather and humidity conditions. The Centricity/Bonded Builders Warranty guidelines specify that the Builder will perform a courtesy repair of these items one-time only during the first year warranty period. Routine maintenance of these items is the Homeowner's responsibility.*

**2 YEAR WARRANTY** – Warrants that your home will be free from defects in the electrical, plumbing and mechanical systems. Defects are defined as wiring, piping and ductwork portions of your systems. This warranty expires two years from the date of your closing. Please refer to your copy of the Centricity/Bonded Builders Warranty Booklet in your closing package.

**STRUCTURAL WARRANTY** – Provided through **CENTRICITY/BONDED BUILDERS HOME WARRANTY ASSOCIATION**. This is a structural warranty only (i.e. actual physical damage to load-bearing portion of the covered home). Please refer to your copy of the Centricity/Bonded Builders Warranty Booklet in your closing package for specific details.

**REQUESTING WARRANTY WORK** – At any time after closing that warranty work is needed, a **written request** listing the covered deficiencies needs to be submitted. You may submit the request by:

1. Going online to [www.sedanewhomes.com/customer-care](http://www.sedanewhomes.com/customer-care) and filling out the form,
2. Emailing your request to [warranty@sedaconstruction.com](mailto:warranty@sedaconstruction.com) or
3. Faxing your request to (904)725-4233.

Please include up-to-date phone numbers (home, work, mobile, etc.) on your written request. Please include photographs of the items whenever possible. You will be contacted after SEDA receives your **written request**.

**Emergencies** may be phoned directly to the applicable Subcontractor. Emergency phone numbers are listed on your electrical panel.

**APPLIANCES** - These are covered under warranty for the first year directly through the manufacturer. You must register all your appliances online at [www.geappliances.com](http://www.geappliances.com) or fill out the warranty cards and mail them to register your appliances. Please call GE at 1-800-432-2737 to request an appliance repair.
